

Roseberry Primary School

Rights Respecting School Award

Steering Group Meeting

Minutes

- Welcome – Mr Walton, Mrs Murray, Mrs Stead, Mrs Thompson, Mrs Stewart, Mrs Haslam, Rights Respecting Champions from Year 1 to Year 6.
- We discussed the new signage for our Playground Charter. Children discussed, selected and voted for the signs they wanted. Mrs Stewart to order signs. The children felt that we needed to put up temporary charters on display until our new sign arrived.
- We discussed and planned activities for our RRSA sharing event on Tuesday 16th January. Children discussed what activities they would like, what refreshments they would like to provide and how to make children from the other schools feel welcome. Children decided they would like to design a RR super hero, they would like healthy snacks for refreshments and they would make the children feel welcome by showing them around, being kind and smiling at them.
- We discussed our upcoming assessment for our level 2 award and children said that they would like to do a learning walk to ensure that all classrooms were good examples of RR environments.
- RR champions decided that our next steering group meeting would focus on how to involve parents more our RR work and how to develop their knowledge.
- We also decide that we will discuss the findings from the questionnaire at the next meeting.
