

## Sports Premium Spending 2016 – 2017

The Primary PE and Sport Premium was launched by the government in April 2013 with the aim of helping primary schools to improve the quality of PE and sport activities on offer for pupils. The national vision is for “All pupils leaving primary school (to be) physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport”. The sum of £450 million was set aside by the Government over a 3 year period (2013-2014/2014-2015/2015-2016) to support this.

While schools are free to decide how to spend the money they must be able to show that spending has led to a “direct and sustained improvement in sporting provision”. Funding is therefore used to develop or add to the PE and sport activities already on offer and to make improvements that will benefit pupils joining the school in future years.

In the academic year 2016 – 2017 £9724 was received by Roseberry Primary School. Following consultation with pupils, parents and staff the money was spent as detailed below:

<b><i>How the money was spent (April 16 – April 17)</i></b>	<b><i>Amount</i></b>	<b><i>Targeted pupils</i></b>	<b><i>The impact for pupils</i></b>
