SATs

Our Year 6 children start their SATs next week. We would like to wish them good luck – they have all worked extremely hard and are very well prepared. This is a very important milestone in their lives that will support and inform their move to secondary school.

A very popular start to each day is the breakfast bun (or other) they have chosen: bacon, egg or sausage.
Good luck Year 6!

Year 3 Trip

We have now received sufficient contributions for the Year 3 trip meaning it will go ahead as planned on 24th May. A decision to cancel is never made lightly so we are thrilled that the children can now look forward to their visit to Hamsterley Forest.

Thank you for your support and contributions.

Working Together Wednesday

We would like to invite parents to our Royal themed Working Together Wednesday on Wednesday 16th May:

10:15 - Morning Nursery

1:45 - Afternoon Nursery and Reception

Bedtime Reading

On Wednesday 21st March, Reception children were invited to attend our Bed Time Reading session after school. The children came dressed in their pyjamas, brought their teddy bears and blankets and settled down for a story. The theme was alternative fairy tales and some of the books included: Blow Your Nose, Big Bad Wolf and Eat Your Greens, Goldilocks. Everyone enjoyed listening to stories and completing a range of craft activities linked to them. We had a great evening!

Thandigudi Day

Our main fund raising event to support the child we sponsor in the Goodwill Village in India, Venkatraman, will be held on Friday 25th May. The Year 6 children will organise a variety of stalls with different games and activities for children to take part in. We suggest that children bring no more than £1, preferably in change. We will also have a non-uniform day that day and suggest a donation of £1 towards funding Venkatraman's place next year.

Sunny Days

Now that the sunny weather has arrived, hopefully, it will be here to stay. Please ensure that your child is adequately protected; sun cream should be applied prior to school and we would advise a cap or sunhat is available as we do like to take the opportunity to spend time learning outside. We would prefer children not to bring sunglasses (unless they are prescription) as they are easily broken and have in the past led to accidents.

Philanthropic Foundation

We received a lovely letter with a donation of £100 from the Philanthropic Foundation last week. We believe we were nominated for this by the grandparent of one of our Year 4 children. After talking with the staff re what we could spend the money on, we have decided to purchase some additional spare PE kit so that no child misses out on PE due to lack of kit. We are also asking for any donations, including PE shoes, of kit that you may have and are willing to donate.

Scarlet Fever

We have had a few reports of scarlet fever in Year 3. It tends to cause sore throat and feverish symptoms, followed by a characteristic blotchy pink-red rash on the body. It is not normally serious but it does require prompt treatment with antibiotics.

Charity Focus

We are starting to plan our dates for next year and as yet, we do not have a designated charity to support. We like to choose a charity to support that is relevant to our community—in the past we have supported: Air Ambulance, Daisy Chain and 4Louis following parental suggestions. If you would like to nominate a charity that has significant meaning to your family due to the support they have provided you, then please let the office know.

Fence

We have noticed that children are starting to climb up the new fence on the KS1 playground after school. Please can you make sure that your children refrain from doing this to prevent injury.
