NSPCC

We had a visit from the NSPCC earlier this week to deliver their 'Speak out, Stay Safe' programme through an assembly for Years 4, 5 and 6 and for Years 1 and 2 (Year 3 were out at Yarm school). The assembly focused on how children can keep themselves safe from harm and get help if they have worries—a nationwide programme for every primary aged child in the UK. The Year 5 and 6 children will also be taking part in workshop activities next week to further develop their understanding.

The NSPCC hope that the work they do in schools will help encourage conversations about staying safe—and they have a number of child-friendly materials to help parents carry on the conversation afterwards. 'TALK PANTS' is a simple way for parents to help keep children safe from sexual abuse—without using scary words. The guide uses the rules of PANTS to teach children that their body belongs to them and them alone. More information and free resources can be found at nspcc.org.uk/pants. If you'd like to know more about the NSPCC's work, or take a look at the range of information and advice which is available for parents and carers, please visit their website nspcc.org.uk/parents.

Charity

As no-one from within the school community has suggested a charity for us to focus on next year, we have decided to nominate the NSPCC. Our non-uniform day in the Autumn term will be used to raise funds for it.

Safety Mark Award

Roseberry has been recognised by The National Safety Certification Scheme for Schools - known as SafetyMARK - as having 'excellent' safety standards.
The SafetyMARK scheme aims to provide guidance for schools and to recognise and reward those schools that have gone the extra mile to create a safe environment for staff, pupils, visitors and contractors. After a rigorous independent audit in March, we were able to demonstrate that we have first class levels of safety management and compliance and, in doing so, have achieved the SafetyMARK award for excellence.
We are very proud!

Year 6 Reports

Unlike previous years, the reports of Year 6 children will not include their SATs results. This is due to the results not being released until the week after reports have been sent out. A copy of your child's results will be sent out as soon as school is able to process them.

Year 3 visit to Yarm School

As part of our work with TVMS, Year 3 children and our Cellists visited Yarm School. The children had the opportunity to listen to other schools perform on a range of instruments - including ukuleles! Year 3 showcased the singing they had been doing with Mr Harbisher and the cello players showcased the pieces they had been learning with Ros. All children were a credit to Roseberry and seem to have bright musical futures ahead!

Reception Visit

On Thursday Reception visited the Forum Theatre to watch a performance of What the Ladybird Heard as our topic was mini-beasts last half term. The children had a fantastic time! They loved singing and clapping along to all of the songs. They made all of the adults so proud as their behaviour was outstanding.

Summer Fayre

Our summer fayre will be held on Monday 16th July (weather permitting). Due to the success of some stalls and attractions last year, we will again have: bouncy castles, face-painting, an ice-cream van and traditional games. Additionally, we have organised: a sweet stall, a toy stall and the Police and Fire Brigade will be visiting. Please let us know if you have any ideas for other stalls. We hope to see you there!

Welcome Back!

We would like to welcome Mrs Bowey and Miss Grylls who have both have returned from their maternity leave this term. Mrs Bowey has returned part-time and Miss Grylls is currently on a phased return before resuming part-time in September.

Sports Day

Weather permitting, our sports days will be held on Tuesday 12th June (KS1) and Wednesday 13th June (KS2). Please can we remind parents not to bring drinks for their children as water will be made available during the events.

Race for Life

Roseberry is proud to be a Rights Respecting School and as a result, we are always looking for opportunities to support the rights of other children both locally and globally.
This year, the rights respecting council have decided to campaign and raise money for Cancer Research UK. This charity pioneers research to bring forward the day when all cancers are cured. With no government funding, their progress depends on donations and we want to do our best to support this cause.

This charity fully supports Article 24: All children have the right to the best form of healthcare and treatment, which is why the children thought it was so important that we raise funds for this charity.
In order to do this, the children came up with the idea to combine fundraising with fitness in order to support Article 27: We have the right to a healthy lifestyle.

The children have decided to organise a sponsored Race for Life around our school field which all children can take part in. The children will receive an official 'Race for Life' medal for taking part.
Year 5 and Year 6 will have the opportunity to complete a park run which will be approximately 1 mile in length and refreshments will be available for the children.
The date for the 'Park Run' (at John Whitehead Park) will be **Friday 29th June 10:30 – 11:45**.
Parents and family are welcome to come along to support and even join in.
