

## **PE Sports premium funding 2018-19**

<b>What is the Sports Premium?</b>	
<p>The PE and sport premium is a government funding stream designed to help primary schools improve the quality of PE and sport activities they offer. The amount of money received is based upon the number of pupils in years 1 to 6. In 2018-19 schools with 17 or more eligible pupils received £16,000 and an additional £10 per pupils. The funding must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary aged pupils, to encourage the development of healthy, active lifestyles.</p>
