## 1. Aims

Uniform is worn at Roseberry to develop a sense of pride in being a member of the Roseberry Primary School community. Wearing uniform also prevents clothing becoming the focus of unkind comparisons based on cost and fashion and has a significant impact on the way children behave.

This policy aims to:

- › Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- › Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- › Clarify our expectations for school uniform

## 2. Our school's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- › Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- › Make sure that our uniform costs the same for all pupils
- › Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- › Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- › Allow pupils to request changes to swimwear for religious reasons
- › Allow pupils to wear headscarves and other religious or cultural symbols
- › Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with Miss Grieveson-Jones who can answer questions about the policy and respond to any requests

## 3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- › Is available at a reasonable cost
- › Provides the best value for money for parents/carers

We will do this by:

- › Carefully considering whether any items with distinctive characteristics are necessary
- › Limiting any items with distinctive characteristics where possible for example, by only asking that the school jumper or cardigan, features the school logo
- › Limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties
- › Considering cheaper alternatives to school-branded items, such as logos that can be ironed on, as long as this doesn't compromise quality and durability
- › Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes
- › Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler
- › Avoiding different uniform requirements for different year groups
- › Avoiding different uniform requirements for extra-curricular activities
- › Considering alternative methods for signaling differences in groups for interschool competitions, such as creating posters or labels
- › Making sure that arrangements are in place for parents to acquire second-hand uniform items
- › Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- › Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy
