2021/22 school performance data should be used with caution. Following the COVID-19 pandemic, tests and assessments resumed in academic year 2021/22. Pupils included in the 2021/22 KS2

school performance data may have experienced varying levels of disruption to their schooling due to the pandemic. We do not recommend making direct comparisons with data from previous years or between schools. The KS2 data reflects a school's results in 2021/22 but cannot provide information about the factors which may have influenced these results. Comparisons with local and national averages should be made cautiously to put an individual school's results into context.
