Children in Y5/6 are expected to record any reading that they do at home. The expectation is that they read at home 3x a week. This can be their reading book or Reading Plus.

Children in Y5/6 might prefer to independently read at home which is fine as long as they record their reading. If they read to an adult, we ask that the adult signs to say that they have listened to the child read.

CG. Well done!		

Children in Y5/6 are expected to record any reading that they do at school in their diary, recording the book and page number.

In school, all children will read to an adult at least once per week. The adult will record this in the child's diary.

This is a space for parents/ carers to record a message to the class teacher or for the class teacher to record a message home. The teacher might also write a message here to remind children to read at home 3x a week.

Your child's teacher will sign to say that they have seen the diary Our expectation is that you read at least 3x a week.
