1. Aims

Roseberry Primary School is committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

- Promoting good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to ensure pupils have the support in place to attend school

Roseberry Primary School will also promote and support punctuality.

2. Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to:

The DfE's guidance on the school census, which explains the persistent absence threshold.

The KCSIE 2023

There has been a **language change around attendance and children missing in education**. KCSIE 2023 now clarifies that being absent as well as being missing from education can be a warning sign of a range of safeguarding concerns, including: sexual abuse, sexual exploitation and child criminal exploitation

Being absent

Children who are absent from education for prolonged periods and on repeat occasions (those with attendance issues).

Being missing from education

Children who don't attend school at all and staff don't know where they are when they are not at school.

- › Ensure that, where possible, appointments for their child are made outside of the school day

3.8 Pupils

Pupils are expected to:

- › Attend school every day on time

4. Recording attendance

4.1 Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and at the start of every afternoon session. It will mark whether every pupil is:

- › Present
- › Attending an approved off-site educational activity
- › Absent
- › Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- › The original entry
- › The amended entry
- › The reason for the amendment
- › The date on which the amendment was made
- › The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- › Whether the absence is authorised or not
- › The nature of the activity if a pupil is attending an approved educational activity
- › The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 9am on each school day.

The register for the first session will be taken at 9am and will be kept open until registration has taken place. The register for the second session will be taken at 12:45 and will be kept open until registration has taken place.

4.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9am or as soon as practically possible by calling the school office staff (see also section 7).

Roseberry Primary School mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

Roseberry Primary School calls the parents/carers of absent children each day that they are absent.

Roseberry Primary School We will mark an absence as unauthorised if school do not hear from parents/carers and school is unable to contact parents/carers.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

Parents who are in attendance proceeding will be required to bring evidence of the appointment.

Roseberry Primary School encourages parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence in as far in advance as possible of the requested absence. Parent/carer will be expected to put their request in writing and provide evidence.

4.4 Lateness and punctuality

A pupil who arrives late:

- › Before the register has closed will be marked as late, using the appropriate code
- › After the register has closed will be marked as absent, using the appropriate code

Weekly attendance and punctuality cups presented to the highest attending class that week during celebration assembly.

Winners of the attendance and punctuality cup receive an additional playtime.

Timetables are varied to encourage children who prefer the foundation subjects such as music, PE and art to be in school for the start of the day.

Breakfast is provided free of charge to all pupils from 8.30 until 8.45am

School opens at 8.30am and children arriving between 8.30am and 8:45am are on time

An activity club is available from 8am for a small charge to support the needs of children and parents

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, Roseberry Primary School will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts by the third day, the family support worker will make a home visit to ensure children are safeguarded. If there is no response and the children remain unseen the Police or social care will be asked to make a welfare call.
- Once the reason for absence has been clarified the school office will identify the correct attendance code to use and input it into the system – this will be no later than 5 working days after the session.

4.6 Reporting to parents/carers

Roseberry Primary school regularly informs parents/carers about their child's attendance and absence levels during each of two parent/carer evenings and on pupils' yearly report.

Children who are persistent or severe absentees' parent/carers will receive more regular updates on their children's attendance via the designated senior leader responsible for attendance, the family support worker or Education Welfare.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as an unavoidable situation or event where there is no alternative.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 4 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be

travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

Sports events (letter required from their national governing body)

Other exceptional circumstances

5.2 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

6. Strategies for promoting attendance

Weekly attendance and punctuality cups presented to the highest attending class that week during celebration assembly.

Winners of the attendance and punctuality cup receive an additional playtime.

Class weekly percentages for attendance are shared in assembly

7. Attendance monitoring

Education Welfare provides weekly data sheets for whole school and individual groups so that patterns can be identified. The DfE site is used for deeper analysis and comparisons with similar schools.

7.1 Monitoring attendance

Roseberry Primary School will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing body.

7.2 Analysing attendance

Roseberry Primary School will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns.

7.3 Using data to improve attendance

Roseberry Primary School will:

- Provide regular attendance reports to class teachers and other school leaders, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies.

7.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

Roseberry Primary School will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of pupils who the school and/or local authority considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance

School buys in to an attendance service which closely monitors attendance, sending letters to parents, putting plans in place for the child, holds meetings with parents and professionals and reports to the head teacher and attendance lead in school.

Schools family support worker will do a home visit if a child is absent with no reason for more than two days.

Social workers are called on the first day of absence in some circumstances.

Children are collected and taken home when support is needed.

8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually by the designated senior leader responsible for attendance. At every review, the policy will be approved by the full governing body.

9. Links with other policies
